

PADI Deep Diver

Why PADI Deep Diver?

The Deep Diver Specialty course offers you the opportunity of a lifetime - going deep to see things others can only dream about.

What do I need to start?

- PADI **Adventure Diver** certification (or qualifying certification from another organization)
- Minimum age: 15 years old

What will I do?

- You'll learn deep dive planning, organization, procedures, techniques and hazards. You'll also put this knowledge to the test as you go on four open water dives that range from 18 - 40 metres / 60 - 130 feet

How long will it take?

- Recommended Course Hours: 24
- Minimum Open Water Training: four dives over two days

What will I need?

- Deep-Pak, which includes manual, video and log insert

Where can I go from here?

You can count the Deep Adventure Dive from your Adventures In Diving program as the first dive of the Specialty course at instructor discretion. This Specialty course certification also counts as one of five Specialty certifications required for Master Scuba Diver certification.
